

(Los Angeles, CA - July 31, 2019) – Sun Air Jets was recently featured on Season 15, Episode 9 of the ABC series “The Bachelorette”. This marks the third occasion that the private jet operator has been featured on the show. With its close proximity to Hollywood, 120,000+ square feet of hangar space and 150,000+ square feet of ramp space, Sun Air Jets’ Camarillo facility is ideal for all types of media production. Their vast array of corporate jets and modern passenger terminal/FBO has been featured in numerous commercials, TV productions, feature films, and other media projects. For filming and media inquiries, please contact Steve Maloney at (805) 389-9393 or via email at smaloney@sunairjets.com.

[About Sun Air Jets](#)

Sun Air Jets serves the greater Los Angeles area, and operates one of the safest rated private jet fleets. With bases in Camarillo and Van Nuys, the company’s operations also include a FAA Part 145 repair station, charter, aircraft management, as well as private hangars. Both clients and flight crews can enjoy the full-service FBO at the company’s KCMA headquarters. As a result of a flawless safety record, Sun Air Jets maintains the highest safety audit standards in the industry. Above all, Sun Air Jets remains dedicated to serving clients with the highest levels of operating expertise and customer service.
